Practical Lead Job Pack

Poppy's Tooting

The Gatehouse, Lambeth Cemetery,

Poppy's Sheen

202 Upper Richmond Road West,
London, SW14 8AN

Introduction from our CEO

We are a B Corp certified funeral directors, based in London, with a fresh approach to funerals and ambitious growth plans. Instead of following rigid traditions, we listen to what our clients want and need. Instead of hiding behind closed doors, we're open about how we care for the living and the dead. We believe that great care for both the living and the dead can transform a person's experience and by offering meaningful choice and transparency, we support our clients to make the decisions that are right for them. We put people and planet first and have made a commitment to minimising our own environmental impact.

We're looking for organised, reliable and strong individuals to support the smooth running of our behind-the-scenes work, in and around the mortuary and on the day of funerals. This is a flexible, part-time role that plays a key part in delivering the high-quality care Poppy's is known for.

At Poppy's, we're thoughtful, down-to-earth, and serious about giving people the care and dignity they deserve, both behind the scenes and on the day of the funeral.

Our Practical Leads are a vital part of that. You'll be involved in some of the most hands-on aspects of our work, from caring for the person who has died, to making sure everything runs smoothly and respectfully on the day of the funeral.

You don't need to have worked in funerals before. What matters most is that you're responsible, practical, physically capable, and willing to learn. You'll be part of a kind, supportive team that takes pride in making a real difference every day.

If this sounds like a good fit, we'd really love to hear from you.

Clare & the Poppy's team

About Poppy's

At Poppy's we believe that what is viewed as 'normal' when it comes to funerals is anything but normal.

It's stuck in the past, with rigid Victorian practices meaning that many people don't get the funeral they need or want; whilst a 'behind closed doors' approach means poor care for the dead often goes unchecked.

We think there is a better way to do funerals, one that we believe in time will become the 'new normal' in the sector.

This is the Poppy's way: a fresh approach to funerals.

Justice, Equity, Diversity, and Inclusion

We are passionate about creating a work environment that truly reflects the diversity and difference in lived experiences. We encourage applications from people underrepresented in the funeral sector, such as people of colour, those with disabilities and people of all gender identities. We are fully committed to running a recruitment process which underlines our commitment to inclusion, diversity and racial justice. What that means for our recruitment process:

- A broad search, reaching out through as many different channels as we can
- An anonymous equality, diversity and inclusion monitoring form, which we use to monitor our progress in attracting and appointing candidates from underrepresented communities
- A selection process based on values and competencies, not exclusively on experience

We want to support those with additional needs and are fully committed to make any reasonable adjustments so that everyone can apply for this role. Please let us know if you need additional support as part of this recruitment process by calling 0203 589 4726 or emailing team@poppysfunerals.co.uk.
