

LOOKING FOR MEANINGFUL, FLEXIBLE WORK?

Title: Funeral Bearer, Poppy's

Salary: £12-17 per hour

Hours: Flexible, zero hours contracts

Reports to: Logistics and Mortuary Manager

Location: Tooting; collections and funerals will take you across London in our vehicles

At Poppy's, we believe funerals have the potential to be life and grief-changing experiences. With an open and honest approach, we encourage, reassure, guide and support families to have the funeral that they want - whatever that means to them.

We're looking for organised, responsible, strong people to help assist with the smooth-running of our practical work, including:

- Pall-bearing at funerals
- Collecting people who have died and relevant paperwork
- Working under the direction of the Mortuary Manager to look after people in our mortuary and get them ready for their funerals
- Lining coffins and other physical tasks
- Vehicle and building maintenance

Details:

All training will be given

You would need to wear black trousers, black shoes and a white shirt - we'll provide the rest.

Application instructions:

If this sounds like you, please email team@poppyfunerals.co.uk with some information about yourself and why you'd be right for this role. If you have a CV and cover letter, that would be great.
